Subject: Harlowe's comments on Coyote Station letter

Hi Monica – As we discussed,

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) We did try to figure out if Martin would be available for a call tomorrow if David wanted one but I told her Martin would be out tomorrow and on travel Tuesday. She told me OGC didn't have any more comments. I think it would be good to hold off signing until Tuesday to make sure we don't have any straggling comments and to time a call concurrently with sending the letter.

Patrick will be cleaning up the letter, putting it on letter head and posting for electronic concurrence and digital signature on SharePoint in the morning. If you would like him to help with making arrangements for a call between R8 and ND next week, please let him know. Hopefully this could be for some time after I get back on Wednesday.

Thanks,
Gail
